Services or Tests	Fees	Description of diagnostic test
Golden Eyes Wellness Exam	+\$65 (savings of \$54)  Yes, I consent (Please Initial)	Doctor Recommended (Every 1 year): iWellness OCT, Corneal Mapping/Dry Eye Screener, and EyeScreen Imaging - Proactive approach to prevent eye disease and maintain healthy eyes - Provides baseline data of your eye health. Through time-series-analysis, subtle changes can be examined overtime - Catching eye diseases early is the best management for maintaining healthy eyes - Dilation is included, if necessary
Routine pupil dilatio	Yes, I consent (Please Initial)	Eye drops that dilate the pupil. Side effects include blurred vision & light sensitivity for 3-6 hours with tropicamide. Routine pupil dilation does not cover cyclopentolate drops (Complex refraction is an additional \$45 fee). Side effects may last up to 48 hours.  - Helps check for retinal holes/tears/abnormalities  - Paralyzes your ability to focus to obtain a more accurate prescription in patients with accommodative issues  - Covered by vision plans (routine only, not problem-specific). Must be done the same day as exam
Description of tests	below: You can also cho	oose to select individual testing (Declining Golden Eyes Wellness Exam)
iWellness OCT	+ \$45	Digital light scan that allows us to see beneath the surface of your retina
	Yes, I consent (Please Initial)	- Best way to discover eye problems at its earliest form - Useful to see if stress is affecting your eyes - Helpful in determining if certain medications such as Plaquenil, Tamoxifen, or Viagra are damaging your eyes
EyeScreen Imaging	+ \$39	Digital imaging of your retina, macula, blood vessels, and optic nerve
	Yes, I consent	- Provides a baseline image of your eye health to assess for eye problems in the future
	(Please Initial)	- Helpful in diagnosing/managing eye diseases such as Glaucoma and Macular Degeneration - Helpful in diagnosing/managing systemic conditions such as Diabetes, Hypertension, and/or High Cholesterol
Corneal Mapping &	+ \$35	Digital mapping of the surface of your cornea - Helpful to diagnose pathological corneal diseases such as Keratoconus
Dry Eye Screener	Yes, I consent (Please Initial)	- Useful for contact lens examination, especially for patients with astigmatism - Screener for ocular surface diseases such as Dry Eye
		T, EyeScreen, Corneal Mapping, Dry Eye testing, &/or FDT visual field performed, I understand that I am assuming onditions due to lack of information, which may have been provided by these procedures.
		No, I decline ( <i>Please Initial</i> )
Soft Contact Lens – Evaluation	+ \$135 Spherical	Contact lenses are medical devices, regulated by the FDA. This means the doctor has to evaluate and re-evaluate the fit of contact lenses on your eyes every year in order to determine the correct prescription. All eyes are different and require different management. Contact lenses are brand-specific. The evaluation depends on the complexity of your
	+ \$165 Toric/Monovisi	on prescription. Please review contact lens policy in the Office Policy
	+ \$195 Multifocal	- Evaluation covers up to 3 Follow-up visits within 2 months from the date of your initial exam - Requires/includes corneal mapping and dry eye screener (\$35 required fee + copay)
	+ \$235 XR/MF-Toric/M	- Includes 1 trial pair of soft contact lenses. Special trial orders can take up to 45 days (depending on the manufacturer)  New contact lens wearers must receive contact lens training. It includes wearing instructions and counseling on health related issues for contact lens wearers
	+ \$310 New MM	- Training sessions are up to 60 minutes and can be repeated one additional time at another date that is within 2 months of the initial exam date. If patient fails training after the second attempt and wishes to try again, then the patient would
	+ \$50 CL training	have to pay the training fee at a rate of \$60 for each session  - The doctor selects the contacts that are best for the patient. The patient does not dictate the prescription.  Thus, we do not fit by formulation and material
	(Please Initial)	- Established wear applies to patients that have established contacts care at our office & the complexity has not changed
		scover, American Express, Apple Pay, Debit, or cash. Personal checks are NOT accepted. be paid-in-full at time of service to proceed with any order. No refunds on service or materials.
